If a membership is not available, your name is added to the Waiting List. While on the Waiting List you may be called to replace a member couple at a dance. The dinner/dance cost is currently \$70; you will need to give your menu choices to the Membership Chair. When offered a membership in the QCBDC, should you decline the membership, your name will be removed from the list.

It should be understood as a club member you cannot send another non- member to fill your place at a dance. A membership may not be shared, transferred or given away. There is no refund for missing a dance.

In the event of a serious illness or catastrophic event, a refund may be given at the discretion of the Membership Chair.

I have read the by-laws and agree to abide by them.
